

REMARKS

The present amendment is in response to the Office Action mailed June 24, 2010, in which the allowability of claims 25-41 and 43-44 was withdrawn in view of the new §112, 2nd paragraph rejection.

Applicant has thoroughly reviewed the outstanding Office Action including the Examiner's remarks. The following remarks are believed to be fully responsive to the Office Action and, when coupled with the above amendments, are believed to render the pending claims allowable.

Claims 25-41 and 43-44 remain pending. Claims 25, 32 and 39 are amended hereby. Applicant respectfully submits that no new matter has been added and that the originally filed specification, drawings, and claims support the amendments.

1. Claim rejections - 35 U.S.C. §112, 2nd ¶

Claim 25-41 and 43-44 were rejected under 35 U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. This rejection is respectfully traversed.

Applicant has amended the claims 25, 32 and 39 to overcome this rejection.

Applicant respectfully requests the Examiner to reconsider and withdraw the objection to the claims.

Having overcome the rejections in the Office Acton, withdrawal of the rejections and expedited passage of the application to issue are requested.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested.

Should the Examiner feel that a conference would help to expedite the prosecution of the application, the Examiner is hereby invited to contact the undersigned counsel to arrange for such an interview.

No remittance is believed to be due. Should any fee be required, however, the Commissioner is hereby authorized to charge the fee to our Deposit Account No. 18-0002, and advise us accordingly.

Respectfully submitted,
